Description

A beautiful pair of inlaid walnut Art Deco side tables. They were made in England and date from the 1930's. The quality is outstanding, they are a matched pair and being hand made, there are some slight differences in the inlays and also the thickness of the tops. Unless they are placed side by side, the differences are barely noticeable and they are the same overall size. Each has stunning inlaid banding with amazing walnut grain patterns, and they stand on pedestal bases. They are finished identically on all sides. We have had them stripped and re-polished to a very high standard, the condition is superb for their age. Width – 53 cm , 21 inches Depth – 53 cm , 21 inches Height – 53 cm , 21 inches
