Description

A top quality Victorian carved solid English oak cased aneroid barometer with oak leaf wreath design border and silvered dial by George Wilson & Co London c.1890. The broad turned solid oak case with superbly carved oak leaf wreath design border running continuously around the edge. Engraved silvered scale with weather predictions, which is set over an aneroid movement. Bevelled edge glass view window mounted in a polished brass bezel with reading marker knob to the centre of the glass. Bears the makers name George Wilson & Co, Great Putney Rd, London. Presented in superb original condition, fully serviced and working with a rich polish to the case. Keep up to date via Instagram - sturmansantiques. Measures 10" diameter x 5" dial diameter x 2.5" deep. Postage and packing cost (tracked and insured) for this item is £14.00 for mainland UK. Please contact us for delivery abroad.
