Description

A stunning, fine and impressive, antique bloodstone and 0.15 carat diamond, 14 carat white gold ring; part of our diverse Edwardian jewellery collections. This stunning, fine and impressive antique Edwardian ring has been crafted in 14ct white gold. The ring setting is embellished with an impressive collet set cabochon cut bloodstone, ornamented to the centre with a feature central collet set 0.15ct Old European cut diamond. The elevated ring green gem set shoulders integrate with the feature setting and blend seamlessly with the plain hallmarked ring shank. This stunning dress ring has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 14 carat gold. This impressive antique bloodstone and diamond ring in white gold is supplied with an IDGL diamond and gemstone grading report card. This antique bloodstone ring in white gold is a considered gift for milestone birthdays or personal achievements, appealing to those drawn to rarity and historic character, cherished as a distinctive signature piece or within a discerning collection.
