Description

Very stylish and totally original 1930s Art Deco perfume atomiser with matching stand. These perfume bottles are very hard to source. All in lovely condition, the puffer is a new replacement and works perfectly. The green glass scent bottle is in lovely condition no damage or wear. Chrome Stand does show signs of age with mild pitting but to the naked eye this isn't distracting or noticeable. A perfect addition to any collection or to an admirer of the Art Deco period.
