Description

WE ARE SORRY THIS WATCH IS NOW SOLD. TO SEE OUR LATEST FULLY RESTORED WATCHES PLEASE VISIT OUR MAIN WEBSITE WWW.FOWEYRIVER.COM Professionally restored and in mint condition. This is a very fine example of a gents watch made by the premier swiss maker Zenith. The watch case is of polished stainless steel which is extremely robust and durable which enables you to use it as an everyday watch or equally for special occasions. The 20 jewel chronometer bumper automatic movement is an absolute gem and is regarded as one of the finest movements ever made during the 1950s - golden age of Swiss watch making. This is certainly the type of movement that will last for 200 years just like a fine antique pocket watch. The dial is perfect with a silver tone ground whwch catches the light beautifully with gilt numerals marked with luminous dots finished off with luminous gilt hands. The heavy screw down solid stainless steel case is quite large at 35mm diameter without the winding crown. This is a rare and desireable watch which is very sought after by collectors. The watch comes with a brand new presentation box to keep it in perfect condition. As you would expect fr...
