Description

A fine set of six mid Victorian balloon back dining chairs crafted in mahogany. Each chair features a curved back rail with a shaped and carved splat, over seats upholstered in a light neutral damask with a subtle floral pattern, all raised on particularly impressive reeded baluster-turned front legs. Equally well suited to everyday dining and occasional entertaining, these chairs sit comfortably in both formal dining rooms and more relaxed period interiors. Presented in very good antique condition with a warm aged patina and minor wear consistent with age. The upholstery is clean and serviceable, with some minor marks visible as shown. Structurally sound, clean, and ready to place in the home. English, circa 1860. Price is for set of six chairs. H: 90.5 W: 50 D: 53 cm Seat height: 46 cm
