Description

Carolean style! A charming early 20th century two-seater solid oak framed sofa modelled in the late 17th century style. This charming piece is in astonishing condition given its age, has an immaculate cane work back, carved foliate decoration and a pale blue upholstered seat that is in excellent usable condition. If the upholstery didn't suit someone's taste it would be relatively easy to recover as the whole piece is in such structurally good order. This stylish sofa would be equally suited to the traditional or modern home. Please see our other listings for a range of antique, vintage and retro furniture. Seat height 42cm
