Description

A stunning, fine and impressive antique 5.90 carat blue high zircon, 1.48 carat diamond, 18 carat white gold and platinum set cluster style dress ring; part of our gemstone cluster rings collection. This stunning, fine and impressive antique gemstone ring has been crafted in 18ct white gold with a platinum setting. The millegre decorated, scalloped edged setting displays a feature round cut 5.90ct high zircon, claw set to the centre of the design. The blue zircon is encircled by twelve collet set Old European round cut diamonds, completing the cluster arrangement. The pierced decorated, subtly elevated ring shoulders integrate with the main setting then meld with the plain ring shank. The blue zircon ring is hallmarked to the interior of the shank with the mark for 18ct gold mark (18CT) and platinum mark (PLAT). This stunning antique gemstone dress ring is supplied with an IDGL diamond and gemstone grading report card. Such antique examples in this style, set with a larger high zircon, are becoming increasingly difficult to locate. This blue high zircon cluster ring in white gold is a refined gift for birthdays, anniversaries or commemorated achievements. High z...
