Description

This is a particularly good example of a mid 19th century French farmhouse dining table. Made from oak with a beautiful two planked top and two large drawers (one at each end). The overall size makes this a perfect dining table that will sit 10-12 people. The design is very smart with the 5 turned legs and the overall condition is totally original. The patina to the table is fabulous and really is a rare gem to find. Overall condition very good also. Height 77cm Length 271cm Depth 85cm Price includes UK mainland delivery
