Description

This is a stunning all original 17th century walnut square side table. The patina to the top is gorgeous and continues throughout the piece. It has a single deep drawer to hide away clutter and a tactile well used drawer pull. The stretchers shows signs of historic worm but all treated now. Solid overall condition and the colour is very special. On the back of the drawer is a Parisian antique dealers label from the 1940's which I have left in place as feels a nice touch.
