Description

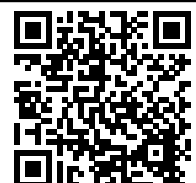

A smart and very well made antique Swedish inlaid mahogany and leather armchair, dating from around the 1900-1920 period. It is of very fine quality, the solid mahogany frame has lovely geometric inlays of ebony and a black leather seat. The armrests are nicely scrolled, this stands on tapered legs terminating in spade feet. This is a useful size to be used as a desk chair or occasional armchair in various settings. We have had it recently re-polished and revived, the upholstery was also done fairly recently. This is in excellent condition for its age, with only some extremely minor wear here and there. Width – 22 inches , 56 cm Depth – 23 inches , 59 cm Height – 33.5 inches , 85 cm Seat height – 18 inches , 46 cm
