Description

This is a very elegant silver plated centre piece, dating from the 1920s or 1930s. The cut glass vase stands well on the stylish base. The width of the base, at 18cm, is impressive and adds stability for the weight of the cut glass. There are a couple of very small nibbles in the rim of the glass but they certainly don't detract from the piece. Dimensions: Height: 24cm Width: 20cm Diameter: 10cm. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
