Description

The Grand Canal, Venice, Original Oil Painting On Panel. This is a huge, outstanding quality example which would be very expensive to paint today and not often painted on such a huge scale. This immaculately presented work portrays a foggy morning with distant views along the tranquil Grand Canal in Venice. The attention to detail is phenomenal, and it is one of those paintings that appear to show something new each time it is viewed. In particular the artist has perfectly captured the realistic glistening ripples in the calm early morning waters. Finished with a generous impasto of oils providing more depth and realism. The painting is mounted within its original, impressive, gilt moulded and cushioned frame. **CONDITION** Both the painting and the frame are offered in an overall superb original condition. **FRAMED MEASUREMENTS** Height: 38.9 Inches (98.8 cm) Width: 50.5 Inches (128.2 cm) Depth: 2 Inches (5 cm) **DELIVERY** UK By Private Courier £90 Worldwide : EU £350 / USA £400 **PAYMENT PREFERRED BY BANK TRANSFER** **TELEPHONE ENQUIRIES : 07765 856171**
