Description

For your consideration is this very attractive Art Deco glass vase. Beautiful vivid colouring that in different lighting looks green or yellow. It really is a lovely piece. Tall tulip shape 25 cm in size this is the perfect piece to add that extra class to a room. Not only is it aesthetically pleasing but of course functional too, offering the perfect vessel for your favourite flowers. Comes without damage. The enamel work is in great condition, no oxidation which often gives that white film effect over enamelling. Very minor surface scratches to the base, quite faint and certainly not distracting. . This piece has been cared for in its lifetime. FREE UK DELIVERY Visit www.artdecoworld.co.uk for hundreds more wonderful Art Deco items to choose from.
