Description

A Set of Six Art Deco Walnut Dining Chairs Item Code: LC1388 Description A stylish and well-proportioned set of six Art Deco dining chairs, English, dating to circa 1930. The set comprises four single chairs and two carver chairs, all constructed in attractive walnut with beautifully figured veneers to the shaped back splats. The chairs feature elegant curved backs, gently splayed and fluted legs, and well-shaped arms to the carvers, reflecting the refined lines and understated glamour of the Art Deco period. Each chair retains its upholstered seat, finished in a deep blue floral needlework fabric, which complements the warm tone of the walnut frames. The chairs are solid and comfortable, with good colour and patination throughout, making them well suited for both everyday use and decorative display around a dining table or as occasional seating. A particularly appealing and versatile set, combining quality craftsmanship with timeless Art Deco design.
