An absolutely stunning Art Deco satin birch and walnut occasional side table. This was made in England, it dates from the 1930's. It is of outstanding quality, it has a very stylish design, and is a useful size. The top has wonderful satin birch grain patterns and colour tones. It sits on a fantastic U shaped walnut base with platform feet, the walnut also has gorgeous grain patterns and contrasts beautifully with the top. It is finished identically front and back, so can be used against a wall as a side table or as a free standing item.
