Description

A wonderful antique French walnut marble top bedside cabinet, dating from around the 1880-1900 period. It is of superb quality and it is a very useful size. It is perfect for use as a bedside cabinet, the back is also nicely polished so it can be used as a free standing lamp table in a lounge or around the home. The burr walnut grain patterns are gorgeous and this has a lovely grey flecked marble top that is attached to the base. We have had this recently re-polished, the condition is excellent for its age.
