Description

Home office? Look no further! This lovely quality late 18th or early 19th century mahogany bureau bookcase in superb original condition will do that job perfectly. This well made, practical piece will be a great addition to any home interior, traditional or modern. The cabinet is formed of two sections for ease of movement. The top section has a moulded dentil cornice over two glazed doors which open to an interior with adjustable shelves. The base section has a fall front opening to an interior with small drawers, secret compartments and pigeonholes. There are five further large drawers with brass swanneck handles and the whole piece is supported on ogee feet. This is a beautifully constructed piece of furniture in excellent original condition & is more than ready for another 200 years service! What a thing! Please see our other listings for a range of antique, vintage and retro furniture. Incredible value for money at £995. Working height 84cm, closed drawers depth/total depth 51cm, glass top depth 23cm and open depth 88cm

Internal Ref: HF1514
