Description

Palatial giltwood for a grand home interior! This lovely 19th century French mirror is of cushion form, so the centre panel is slightly higher than the outer frame, this gives the mirror a greater depth and greater presence on the wall. The frame is decorated with gilt gesso foliate detail and beading with a lovely, beautifully aged look. This is a great statement piece in original condition that is bound to add a touch of class to your home. Please see our other listings for a range of antique, vintage and retro furniture.
