Description

Art Deco style & design at its absolute best. This is a truly exceptional little desk in the campaign style as it fully disassembles in no time. The centre of this piece has a lifting lid for storage (ideal for a laptop) & is flanked two-fold out leaves. The quality of this whole piece is exceptional, just look at the hinges & fittings! The pedestals both have single doors which open to shelved interiors. This is a superb, rare piece of eye-catching design that is seldom available & is a great size if space is tight. Enhance your home today with this superb 'one off' piece of craftsmanship. Please see our other listings for more antique, vintage and retro furniture. Closed width 89cm.
