Description

An antique 20th century brass king-size bed of fine quality and exceptional craftsmanship. This impressive bed is very well built and solidly constructed, offering both durability and elegance. It comes as a complete set, including a headboard, footboard, side railings, and base, providing everything needed for a full king-size bed setup. The brass framework displays a gorgeous warm colour and polished finish, highlighting the quality of the materials and the attention to detail in its construction. Its classic design combines timeless style with sturdy construction, making it both a functional and decorative piece. Very desirable and versatile, this fine-quality brass bed would make a striking addition to any bedroom. Please note that the mattress and bedding shown are for display purposes only.
