Description

A nicely designed novelty sterling silver handled corkscrew. It is hallmarked for Birmingham 1910 with the maker being absent. It has been unusually designed being in the form of Mr Punch. It is in superb condition being free from dings splits holes and repairs. It measures approx. 4.5 inches (11.2cm) long and weighs 12 grams (including the steel screw) - most likely for medicine / perfume bottles and such like. A very nicely made more unusual piece.
