Description

A finely atmospheric seascape by Edward Seago, depicting sailing vessels on calm coastal waters beneath a dramatic, cloud-filled sky. Painted with subtle tonal variation and fluid, confident brushwork, the composition captures Seago's masterful handling of light and weather, with soft reflections across the water creating a strong sense of depth and mood. The restrained palette and balanced composition are characteristic of the artist's mature marine work. Oil on canvas, signed lower right, and presented in a gilt frame. The painting is in very good condition and represents an excellent example of Edward Seago's highly sought-after maritime paintings. FREE DELIVERY – to mainland UK.
