Description

A very pretty Edwardian inlaid Mahogany occasional table with two tiers. The legs are nicely inlaid down the full length and have a fan pattern support under the lower tier. The tops are inlaid around the outside edge on both levels. In nice tidy condition after a clean in our workshops and a rewaxing to enhance the grain. The legs at the bottom attached in support with the crinoline stretchers. A super example and very useful as either a serving table or display or whatever purpose one can use it for. Overall size below, top size is 71cms long 34 deep . Not to be missed at this very keen price of only £385.00.
