Depth = 9 cm (3.5")

## Description

This fine quality antique French magnifying glass which is made of brass dates from the early 1900's has a round weighted base which is embossed to the underside with Siegel. 9. 19 Rue Reaumur Paris and has an extendable arm which holds a circular magnifying lens. This brass stand which sits on a table top can have it's height adjusted by loosening the central screw and sliding and swivelling the arm to your required height and position. A fabulous antique piece that has a wonderful decorative look and ideal for use in the home or a very nice usable desk accessory. Siegel of Siegel & Stockman have been makers of tailor's dummies, mannequins and shop display accessories since 1867. Marks: Siegel. 9. 19 Rue Reaumur Paris. Dimensions: Base Diameter: 9 cm (3 1/2"). Minimum Height to top of lens: 40 cm (11 3/4"). Maximum Height to top of lens (when extended): 44 cm (17 1/4"). Diameter of lens: 9 cm (3 1/2"). Weight: 642 g. Condition: Very good antique condition with signs of use in keeping with age. Some small bruises and light surface wear. Please see pictures. Please note that only the magnifying glass on stand is included and any other items in the pictures are for ...
