## Description

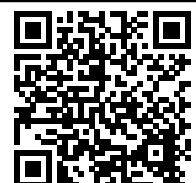

19th Century Italian Walnut Specimen Marble Top Centre Table A 19th Century Italian Walnut Specimen Marble Top Centre Table. The deep circular top is inlaid with various coloured specimen marbles to create a sunburst geometric design arranged in a geometric starburst or radial pattern around a central circular motif. The individual marbles have been carefully chosen and matched to each other to create the most striking effect. Supported by a central baluster form column support and four unusually carved legs. An attractive, quality table of good size with a thick marble top. H 82cm x W 101cm x D 101cm H 32¼" x W 39¾" x D 39¾" (#3934)
