Description

Lovely pair of solid silver Shabbat candlesticks with their original detachable sconces for less and easier cleaning. Although they have been weighted they were hand made from sheet silver and hand chased. They would have weighed around 18 ounces together and didn't need to be loaded. Some customers preferred to have them heavier and chose to have them weighted. Offered in very good condition they are ready for use. Height 29 cm (11.5 inches) Diameter of base 11 cm (4.25 inches) Total weight loaded 1.75 Kilos.
