Gonçalo Alves is a hardwood (from the Portuguese name, Gonçalo Alves). It is sometimes referred to as tigerwood – a name that underscores the wood's often dramatic, contrasting color scheme. While the sapwood is very light in color, the heartwood is a sombre brown, with dark streaks that give it a unique look. The wood's color deepens with exposure and age and even the plainer-looking wood has a natural luster. Two species are usually listed as sources for gonçalo alves: *Astronium fraxinifolium* and *Astronium graveolens*, although other...
