Description

This quality Antique gold-cased fob features a plain Chalcedony base and engraving throughout. The fob features an elephant figure with excellent detailing, including its tusks. Originally used to seal a letter's wax, this piece now looks great worn as a pendant or charm. This was likely purchased as a souvenir during the Victorian era. This would make a wonderful gift or a great addition to any collection. METAL Gold Cased STONES Chalcedony MEASUREMENTS Measures 2.1cm x 1.6cm Chalcedony measures 14.36mm x 7.92mm WEIGHT 4.32 grams CONDITION This antique fob remains in good condition for its age. The base is free of chips or damage, and the gold is bright, with light wear consistent with age. Overall, this sweet little fob would make a great addition to your neck styling. Item Number - SD912
