Description

A fantastic antique burr walnut leather top pedestal desk. This is in the Georgian style, it dates from around the 1930's. The quality is superb, this has a beautiful inset leather writing surface with tooled edges. There are amazing burr walnut grain patterns throughout including the back, which is nicely finished so this can be used as a free standing item. This has a serpentine shaped front, it sits on bracket feet and contains lots of storage space inside the generous drawers. We have had this recently re-polished, the condition is excellent for its age.
