Description

An exceptional antique Victorian carved mahogany and leather armchair. This was made in England, it dates from around the 1850-1870 period. The quality is outstanding, this has to be one of the finest examples we have come across. The solid mahogany frame has exquisite carving throughout, including beautifully detailed carved lions heads on the arm rests. It stands on beautifully curved cabriole legs terminating in porcelain casters, this is a great size and it is extremely comfortable. It is upholstered in a gorgeous leather which has a beautiful colour tone and patina. We have had the frame polished, the leather has been enhanced and revived by our leather restorer. The condition is excellent for its age with only some extremely minor wear. Width – 28 inches , 71 cm Depth – 32 inches , 82 cm Height – 42 inches , 107 cm
