Description

This is a beautiful 19th century French gilt Overmantel mirror with lovely proportions dating from around 1870. The mirror has its original gilding with a lovely antique colour and retains its original bevelled plate glass which is in excellent order for its age with only a couple of very minor marks to the glass, (high right, best seen in second picture). It has lovely acanthus scroll detail and a very attractive central curvaceous crest. The mirror is a nice size measuring 144 cms by 82 cms. **PROVENANCE:** This was purchased from the contents of West House Gomersal West Yorkshire. UK delivery can be arranged with our local courier and costs £70 plus vat to most areas.
