Description

A fantastic Art Deco figured walnut dressing table. This was made in England, it dates from the 1930's. It is of outstanding quality and has an amazing design. It is a great size and is very practical, with lots of storage space within. The central section of the top flips up to reveal a built in mirror that is supported on a ratchet, the angle of the mirror can be adjusted. The storage beneath contains shelves and tray slides. The walnut has a gorgeous colour tone, this has wonderful Bakelite handles. We have had this stripped and re-polished to a very high standard, the condition is superb throughout. The mirror has also been replaced, so the glass is perfect on that too.
