**Date of manufacture: 1930**

Dimensions

Height = 46 cm (18.1")

## Description

An Art Deco table lamp with a faceted green glass shade on a chromed twisted stem and stepped base. The geometric shade is typical of the period designed to catch and diffuse the light. Hobo loves because: The green glass sits beautifully against the chrome base and gives the lamp a real graphic feel. All of our lighting is rewired and PAT tested to UK standard.
