Description

A Painted Pine Architectural Carved Fire Surround Circa 1900, 145cm Wide. A handsome late 19th century to circa 1900, painted pine with architectural decorative elements, carved mouldings and impressive proportions. The 145cm mantle is matched with equal proportions, height 121cm with internal aperture dimensions of 93cm high and 99cm wide. Structurally excellent with obvious evidence of timeworn paint which is purely cosmetic, all carved sections and mouldings are intact. A superbly stylish fire surround, a country house aesthetic and scale, perfect for a period restoration project or interior design etc. Please request more photos and any questions invited. Free collection from Lewes, East Sussex. U.K. delivery available. We operate a weekly delivery service into London and surrounding areas of the M25 for only £40 plus any relevant congestion charges, please enquire. We can recommend a whole of U.K. weekly delivery service for only £70, please enquire for Scotland.
