Description

Circa 1870. Very much in the Aesthetic manner, this games table has just come back from a light sympathetic restoration, mainly to highlight the gilding to the ebonized base and to re polish the top. The internal games surface has one or two age marks under the polish but no large fractures that are common with these tables. The inlaid top is principally Amboyna with Ebony and Boxwood banding. A stunning piece of small furniture that is ready to use and enjoy. SKU-12
