## 262 x 377 Antique Blue Ground Heriz Carpet

Price

**Sold****Item Reference: SA1187580****Date of manufacture: 1900**

Dimensions

Height = 377 cm (148.4")

Width = 262 cm (103.1")

## Description

I am very fond of these blue ground Heriz with the semi-allover design. They can be quite creative in their use of small flowers and the large angular, serrated leaves. The colours are well harmonised and this would be a great piece to decorate with. In decent condition showing some light wear but still strong for the floor. Cleaned and tidied up, ready to go. 8'7" x 12'6"
