Description

A magnificent set of eight Art Deco leather and walnut dining chairs by Hille. They were made in England, they date from the 1930's. The quality is outstanding, they are extremely well made and very comfortable. The solid walnut frames have a gorgeous design, they are upholstered in green leather which has a stunning patina. There are six straight back chairs and two carver chairs with arms. We have had the wood stripped and re-polished to a very high standard, the leather has been revived and hand coloured by our leather restorer. The condition is excellent for their age, with just some minor wear and patina to the leather.
