Description

An outstanding Art Deco burr walnut and sycamore bookcase / cabinet by Epstein. This was made in England, it dates from the 1930's. The quality is superb, this is extremely well made and it is very heavy. The front is beautifully fluted in the centre with glass door cabinets on either side, it stands on a fantastic stepped plinth base. The burr walnut grain patterns and colour tones are stunning, they are complimented beautifully by the mellow sycamore tones. The glass doors have some lovely etched patterns towards the top, they have locking keys and inside there are two large toughened glass shelves. We have had this stripped and re-polished to a very high standard, the condition is excellent throughout. Width – 147 cm , 58 inches Depth – 48 cm , 19 inches Height – 137 cm , 54 inches
