Description

A good example of a popular Clarice Cliff pattern beautifully hand painted on a beehive shaped preserve pot. The pot displays very well and is unmistakably Clarice Cliff. The pattern shows her distinctive orange, blue and purple crocus flowers above a cafe au lait ground with a yellow and green banded lid with orange bee-shaped finial. The pot is fully stamped and signed on the underneath with "Clarice Cliff Newport Pottery Co England." It is in good condition for its age and the colours have remained bright and vibrant with very little rubbing or losses. There are no damages or restoration and it displays very nicely. Approximate Measurements : Base Diameter : 3 3/4" (9.5cm) Height : 3 1/2" (9cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
