Description

An Elegant and stylish Art Deco glass enamel scent bottle dating to the 1930's and originating from France. Beautiful acid etched patterning with deep red enamelling in a geometric design. The glass stopper also has etched decoration. Much taller than normal sized bottles and as such displays beautifully. Would make an ideal bathroom piece along with its original intention for perfumes. Condition is superb with minimal signs of any age, free from chips, cracks, discolouration. A perfect addition to any collection or to an admirer of the Art Deco period. Would look great displayed on an Art Deco dressing table; Altogether, a very desirable Art Deco 1930s period glass perfume bottle. FREE UK MAINLAND SHIPPING
