Description

A stunning, fine and impressive antique 4.67 carat round cut diamond and 18 carat white gold bracelet; part of our 1920s jewellery collection. This stunning, fine and impressive antique diamond bracelet has been crafted in 18ct white gold. This impressive antique bracelet is composed with twenty-six transitional modern brilliant round cut diamonds, individually collet set to millegrain decorated square links. Each link is further ornamented with a pavé set eight cut diamond to each corner, completing the design. The bracelet secures with an integrated push fit clasp and benefits from the additional security of a hinged safety clasp. The tongue of the bracelet is hallmarked with the 18ct gold mark (750) and maker's mark and has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold. This impressive white gold diamond bracelet is supplied with three IDGL diamond grading report certificates for the feature stones, in addition to an IDGL diamond grading report card for the supporting stones. Such original bracelets incorporating very high graded and evenly matched diamonds is an indication of the high quality of t...
