Description

These bedside cabinets are in good condition. We have professionally stripped and restored them and then waxed them in a lovely antique brown bri wax giving them a stunning patina. The dealer I bought them off has sealed the tops so the tops are waterproof. The bedside cabinets would look well either side of a double bed in a large bedroom amongst similar antique pine furniture. The bedside cabinets stand on a square plinth supporting the main section. There are four graduated drawers. The drawers have their original round turned wooden knobs which is a nice feature. They also have dovetail joints and are pine lined. The tops are in good condition with a slight bull nosed edge. The height is 76cm, the width is 38cm and the depth is 39cm.
