Description

These bedside cabinets are in good condition. They are totally original and made from mahogany. The bedside cabinets would look well either side of a double bed in a large bedroom amongst similar mahogany furniture. They would also look great either side of a sofa as sofa lamp tables. The bedside cabinets stand on a square plinth supporting the main section. There are four drawers. The drawers have their original brass drop handles which is a nice feature. They are very pretty and there are lovely tramlines upon the drawer aswell. There are fluted columns to the sides and the drawers are mahogany lined. They also have dovetail joints. The tops are in good condition with a slight bull nosed edge. The sides are panelled. The height is 74cm, the width is 40cm and the depth is 37cm.
