Description

A lovely antique Regency style mahogany extending dining table. This was made in England, it dates from around the 1900-1920 period. It has a beautiful mahogany top with two additional leaves, and two removable support stretchers. Each half sits on a pedestal base with four splayed legs and brass casters. The leaves transform this from a six seater into an eight seater or a ten seater table. We have had this recently re-polished, there are some old marks and bumps that remain beneath the polish here and there. Overall this is in very good condition for its age. The top halves can detach from the bases for ease of transport. Width – 63 inches , 160 cm Width with leaf – 76 inches , 193 cm Width with two leaves – 92 inches , 232 cm Depth – 42 inches , 107 cm Height – 29 inches , 73 cm
