Description

A very pleasing watercolour by an unknown artist to us, however signed and dated lower left, L Sommer 1900. This fine watercolour of a mystery lady, by a mystery artist, likely of German descent, who possibly found himself on the Isle of Man in 1900 (where we acquired this painting in original condition) and painted this young lady. The painting has been professionally cleaned, conserved and reframed to the highest of standards. Overall dimensions: 19 x 23 inches
