Description

This is an exceptional example of a gents solid 9ct gold wristwatch made by Eterna. This watch is in almost new condition, and looks rarely worn. The hallmark dates its manufacture to 1964. The Eterna Calibre 1438U 21 Jewel fully automatic movement has a ball bearing system for the automatic rotor, this was a huge step forward in reliability that was first developed by Eterna hence the five balls insignia on the dial and winding crown. The silver dial is original and perfect it has gilt hands and baton markers. As you would expect the solid 9ct gold case is robust and of exceptional quality, this was Eterna's flagship watch. The watch case measures 34mm wide not including the winder. The watch has just been serviced and is running like new keeping excellent time. Like all of our watches it comes with a 1 year warranty. Considering the superb build quality Eterna are one of the most undervalued watches on the market today. We offer a highly personalised and bespoke service. If you would like to buy or reserve this watch please telephone us on 01726 813155 email us foweyshop@gmail.com Mobile text 07878258979 We can then discuss strap options, delivery dates a...
