Description

A stunning pair of leather Art Deco armchairs, made in England and dating from the 1930's. They are of amazing quality and are a lovely, petite size, with a gorgeous typical Art Deco design. They would be perfect as bedroom chairs or occasional side chairs in various settings around the home. Though they are fairly small, they are well sprung with generous seating areas, they are very comfortable. We have had them fully re-upholstered in cream leather with piped edges, they sit on short and sturdy steel feet. The condition is superb throughout.
