## Description

An exceptional antique ruby and diamond trilogy ring set in 18ct gold. The ring is set with 3 stunning rubies, the central ruby being 0.75cts flanked by two further rubies, one either side of approx 0.5cts each giving a total ruby weight of 1.75cts. To either side of the central ruby are 2 diamonds - 4 in total - of approx 0.03 cts each giving a total diamond weight of 0.12cts. Total head size is 18mm across and 8mm deep. The ring is very versatile and could be worn as an engagement ring or as a dress ring. The 18ct gold gives the ring a warm lustre setting the rubies and diamonds off beautifully and the filigree work which the head of the ring is set in adds to its antique heritage. The ring is currently a UK size N however, could be resized for a perfect fit.
