Description

A stunningly beautiful Scottish antique gold and agate bracelet. Made in Scotland, probably in Edinburgh around 1860. The main gold disc has 17 assorted pieces of hand cut agates. Between the five discs are five expertly cut agate links with crisply engraved centers. As with most Scottish Victorian jewellery it is not hallmarked but it has tested as 12 carat gold. Probably the best Scottish agate bracelet I have had. Weight: 40 grams. Free delivery in the UK. Payment by bank transfer, card over the phone, PayPal or Klarna. Using Klarna payments can be split over three months
